

Using static bikes in our dedicated 'Spinning' studio, our instructors will take you on the ride of your life.

Spintroduction

Want to try spinning but don't know where to start. Our team will talk you through setting up the spin bike to mastering those hovers and sprints.

Induro Cycling has put a new spin on the indoor cycling workout by utilising amazing soundtracks, virtual instructors and cycling videos from ALL OVER THE WORLD!

The *Induro Cycling Guided* videos utilise a 'virtual instructor'. These videos contain a motivational voice over, energetic soundtrack and a digital dashboard to cue moves, body positions, resistance, cadence and suggested heart rate zones.

All of our spinning, virtual spinning and aerobic classes are available to book online through our portal.
